- What authority does a “Frequency Coordinator” have to grant permission to operate an Amateur station on frequencies in the Amateur Radio Service?
- What is the procedure to become a recognized “Frequency Coordinator” as defined in §97.3(a)22?
- Please provide a list of all recognized “Frequency Coordinator(s)” as defined §97.3(a)22.
- Please provide copies of all letters between the FCC and the Florida Repeater Council, Inc. pertaining to their recognition as a “Frequency Coordinator” and other coordination/interference issues.

In order to help to determine my status to assess fees, you should know that I am, an individual seeking information for personal use and not for a commercial use.

I am willing to pay fees for this request up to a maximum of \$25. If you estimate that the fees will exceed this limit, please inform me first.
