RE: Orlando Amateur Radio Club Hamfest "Hamcation" Meeting Requirements

Mr. Chairman and Mr. Secretary

I'm a member of the Florida Repeater Council (hereafter FRC) inquiring about our members meeting, which the Orlando Amateur Radio Club (hereafter OARC) hosted during Hamcation on Saturday February 11th 2017. I would like copies of the following information and questions answered:

- What are the qualifications an organization must meet to have meeting space at Hamcation?
 - What is the policy of the OARC regarding public access to such meetings?
- Why was the FRC members meeting moved to the children's safety village this year?
 - Who requested this?
- Who made the determination only 20 people were permitted in the meeting room?
 - Note the board room did not have a fire marshal maximum occupancy notice
- What authority did James Deuel, N0XIA have to represent the OARC or perform duties related to fire safety? What certification does Mr. Deuel have supporting his ability to perform these duties?

I am willing to meet at a reasonable location during normal business hours and copy these records or more preferably they may be provided by OARC via electronic mail to bryan@bryanfields.net.

I am willing to pay fees for this request up to a maximum of \$20.00. If you estimate that the fees will exceed this limit, please inform me first.

Should you deny my request, or any part of the request, please state in writing the basis for the denial, including the exact statutory citation authorizing the denial.

I expect this request shall be filled in nor more than 10 calendar days after receipt. If this is insufficient please contact me via email or post to discuss when I may expect fulfillment of my request, and payment of any fees.

Thank you for your prompt attention in this matter,

Bryan Fields
